

SPECIAL ATTRACTION

AKC RALLY TEAMS- Novice

Rally Team Competition. For the non-regular Rally Team Competition, any of the regular rally class levels may be offered.

The Rally Team Competition will be for teams of any **four** dogs that are eligible under these regulations. (Five dogs may be entered, one to be considered an alternate for which no entry fee will be required, however the same four dogs will perform all of the exercises. No dog may be entered on more than one team.

There is a total possible score of 400 points for each team. All team members will run the course individually, with the team time running continuously.

Time will start when the judge gives the first member of the team the forward command from the "Start" sign. The subsequent dog for each team starts when the previous handler for the team passes the "Finish" sign without an additional command of "Forward" by the judge. Timing for each team will begin when the judge commands the first handler in the team to begin with the command "Forward" and will stop when the fourth handler from the team passes the finish line. If jumps are required, they will be based on the height of the smallest dog on each competing team.
